The 2-pack Fly Repellent Fan, a versatile solution catering to fly-free spaces and on-the-go convenience. This innovative device seamlessly merges a robust 4000mAh power bank with a powerful fly repellent adept at tackling fly woes while ensuring mobile charging needs are met. This fly fan boasts a unique double-sided reflector system designed strategically to emit gentle yet effective light, forming a fly-repelling barrier. The reflectors work harmoniously, amplifying the repelling effect by casting light in multiple directions, providing comprehensive protection against pesky flies and bugs. Featuring an adjustable goose neck, the fan offers unparalleled flexibility, allowing you to customize the airflow direction and angle. Effortlessly position the blades to target specific areas, maximizing its effectiveness in repelling flies. Additionally, its convenient hanging hook design offers versatile placement options, seamlessly adapting to any environment, be it a patio, campsite, or backyard, simplifying fly control. Beyond its fly-repelling
